Leadership Guides Now!

Keeping up with Michigan's term-limited legislature can be a full-time job. With the coming 2011-2012 House session there will be a minimum of 81 new faces in the Michigan House and Senate, maybe even more.

With that changeover comes new leaders and new committees. Be sure you're armed with the best Michigan legislative directory available — the *MIRS*' 2011-12 Michigan Leadership Guide. Make sure to get your order in early to secure your guide.

MIRS' Leadership Guide is unlike any other on the market, providing you with more information than any other (see panel to the right).

At \$8.50 a copy, *MIRS'* Leadership Guide can give your office and your government affairs efforts a leg up. See the reverse side of this flyer for order form and ordering instructions.

Want directories with your own corporate logo and image on the front? How about a description of your association or multi-client lobbying firm on the inside, including staff photos, mission statements and much much more? *MIRS* can take care of that, too. See the back of this sheet for more information.
